### mission shaped intro

Six sessions to have a conversation about mission and reimagining church. The six sessions take you on a journey looking at the ever changing nature of our social communities and explores why the church needs to rethink its approach to those communities in meaningful and relevant ways. The 120 minute sessions are delivered through presentation, movie clips worship and stories with active group participation. It is ideal for those who are at the start of thinking about mission communities as well as those who are already well on the way. See Poster in Foyer for more details.
