OUT OF THE ASHES

With hundreds of videos, more than 100k views and thousands of online followers on social media, award winning **Out of the Ashes** have built a big online audience and regularly play live gigs across the UK and Europe attracting rave reviews.

A favourite on the **Radio 2 Blues Show**, Out of the Ashes is fronted by Penny Lyon - lead vocals - and Kevin Washburn - lead guitar, the on stage line up is completed by a further eight on backing vocals/musicians.

Music Style is Jazz and Blues with Gospel Roots... but then a bit of Country and World Music have been known to creep in too!!

The stuff **Out of the Ashes** write about is up to the minute, honest, brave and relevant with melody lines that stick in your head, words that make you think, sounds and rhythms that make you feel alive.

Five albums down the line, the fifth released in July 2023 and a few hundred gigs and festivals (every one a celebration) across the UK and Europe, they're still writing and still excited to see what comes next...

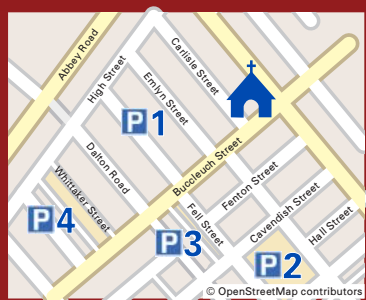

Why not join them for the ride? They'd love to have you along!
